

READ SAFETY DIRECTIONS BEFORE OPENING OR USING

DUSTEND

ACTIVE CONSTITUENT : Alkyl polyoxyethylene ethers

Special purpose wetting agent for use in
Dust Suppression
Road Watering
Fire Fighting

20 LITRES

Directions for use

Situation	Application Rate	Critical comments
Dust Suppression and road watering	500mL/1000 L	Addition of DUSTEX to water sprays will improve penetration and coverage of water to maintain moisture and minimise dust.
Fire fighting		
Water tanker	20mL/100 L	DUSTEX increases the wetting power of water which assists in quick control and mopping up of fires. In cases where water may not be readily available and a less drenching spray is needed a tankful will cover a larger area.
Knapsack	4mL/15 L	

NOT TO BE USED FOR ANY PURPOSE OTHER THAN INDICATED ON THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

DUSTEX is a nonionic surfactant suitable for use in dust suppression, road watering, and fire fighting sprays. It improves the efficiency of the water's performance by enhancing its penetration and improving the spray coverage. These attributes produce greater water absorption and longer retention which results in suppression of dust formation. This can lead to an extension of intervals between re-application.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT.

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

SAFETY DIRECTIONS: Avoid contact with skin and eyes. Wear overalls, rubber gloves, goggles or disposable face shield. After each days use wash contaminated clothing, gloves and face shield with soap and water.

FIRST AID

If poisoning occurs contact a doctor or Poisons Information Centre (Ph 13 11 26). If swallowed, DO NOT induce vomiting. Give a glass of water. Additional information is listed in the Material Safety Data Sheet.

CONDITIONS OF SALE

The use of Dustex being beyond the control of the manufacturer, no warranty expressed or implied is given by SST Australia Pty Ltd regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and SST Australia Pty Ltd accepts no responsibility for any consequences whatsoever resulting from the use of this product.
