

READ SAFETY DIRECTIONS BEFORE OPENING OR USING

ENDORSE

VEGETABLE OIL CONCENTRATE

Active Constituent: 835g/L EMULSIFIABLE VEGETABLE OIL

- INCREASES DROPLET SPREAD, CHEMICAL UPTAKE AND RAINFASTNESS
- IMPROVES DRIFT CONTROL AND REDUCES FOAM GENERATION
- ASSISTS WITH ODOUR REDUCTION AND EVAPORATION

5 LITRES

DIRECTIONS FOR USE:

Situation	Application Rate	Critical Comments
Misting Machine	1 - 2L/Ha	Use higher rate with high dose rate products and mixes.
Orchard Spraying	150 - 200mL/100L 1.5 - 2.5L/Ha	High volume spraying. Low volume spraying.
Vegetable Spraying	150 - 200mL/100L	
Hand Gun	200mL/100L	Spot spraying.
Knapsack	20 - 30mL/10L	
Aerial CDA or ULV	1 - 2L/Ha	
Boomspray	200 - 500mL/100L	Use higher rate with high dose rate products and mixes.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS:

ENDORSE oil will enhance the performance of agricultural and horticultural sprays by increasing droplet deposition and retention. As a result, pesticide performance is enhanced and rainfastness is improved. ENDORSE oil is non-phytotoxic at recommended rates and is compatible with most commonly applied agricultural chemicals. It can be used with most herbicides, insecticides, fungicides and other foliar sprays.

MIXING:

Half fill the spray tank with water and all other ingredients under agitation. Add required amount of ENDORSE oil. Place hose below water line and top up tank with water and continue agitation until all ingredients are fully dispersed. Pre-mixing with the pesticide is not required.

COMPATIBILITY:

ENDORSE is compatible with a wide range of pesticides and will enhance efficacy to a varying degree depending on the particular pesticide class.

CAUTION:

Always check the pesticide label before addition of ENDORSE oil. As there are a wide range of potential combinations; test by application to a small trial area before undertaking full scale spraying for safety on crop and non target plant species. At high rates particular care must be taken when used with selective herbicides and under conditions of high temperature or humidity.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT.

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL:

Keep out of reach of children.
Store in closed, original container, in a well ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple or, preferably, pressure rinse containers before disposal. Add rinsings to spray tank or knapsack mix. Do not dispose of undiluted chemical on-site. If recycling, replace cap and return clean containers to recycler, or designated collection point. If not recycling, break crush, puncture and bury empty containers in a local authority landfill. If not available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS:

Avoid contact with skin and eyes. Wear overalls, rubber gloves, goggles or disposable face shield. After each day's use, wash contaminated clothing, gloves and face shield with soap and water.

FIRST AID:

If poisoning occurs contact doctor or Poisons Information Centre (TEL 13 1126). If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor. If skin contact occurs, remove contaminated clothing and wash skin thoroughly.

MATERIAL SAFETY DATA SHEET

Additional information is listed in the Material Safety Data Sheet which is available from the supplier.

CONDITIONS OF SALE:

The use of ENDORSE being beyond the control of the manufacturer, no warranty expressed or implied is given by SST Australia PTY LTD regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and SST Australia PTY LTD accepts no responsibility for any consequences whatsoever resulting from the use of this product.
